DIGITAL LEARNING

Transforming Education with Digital Tutoring

SkyAscend Digital Academy Pvt Ltd. provides a flexible, innovative online learning platform designed for students and professionals seeking new educational opportunities with Refer and Earn Possibilities.

Skyascend Digital Academy Pvt Ltd.

Empowering Digital Education

Mission: Diverse Online Learning

Provide a wide range of industry-relevant online courses on an intuitive platform to nurture personal and professional growth.

Certifications: Recognized Achievements

Offer recognized digital certifications that enhance the credibility of learners and improve their career opportunities in various fields.

Inclusive Learning: Accessibility for All

Make education affordable, multilingual, and accessible across various devices and geographies to promote widespread learning opportunities.

Vision: Global Empowerment Through Education

To empower individuals worldwide with accessible, high-quality digital education, fostering intellectual and financial growth for a better future.

Quality Education: Curated Courses by Experts

Deliver a diverse catalog of curated online courses created by industry experts, addressing the modern learning needs of learners.

Earning Opportunities: Referral System

Support learners with a unique transparent referral and reward system, transforming their learning journey into a potential source of income.

Business Plan Overview: Referral & Income Structure

Note : 18% Gst , 5% TDS and 10% Service charge Applicable

Business Plan Overview: Referral & Income Structure

Income Structure by Level

This structure outlines the **percentage income** earned at each level, helping to visualize potential earnings.

01

Level 1 Income

At **Level 1**, individuals earn a total of **20% income**, combining both referral and completion bonuses.

02

Referral Bonus

The first level includes a **10% referral bonus**, incentivizing members to bring in new participants.

03

Completion Income

Members also receive a **10% completion income**, rewarding their achievements in the program.

04

Subsequent Levels

Levels **2 to 7** maintain a **10% income** each, ensuring consistent earnings as members advance.

05

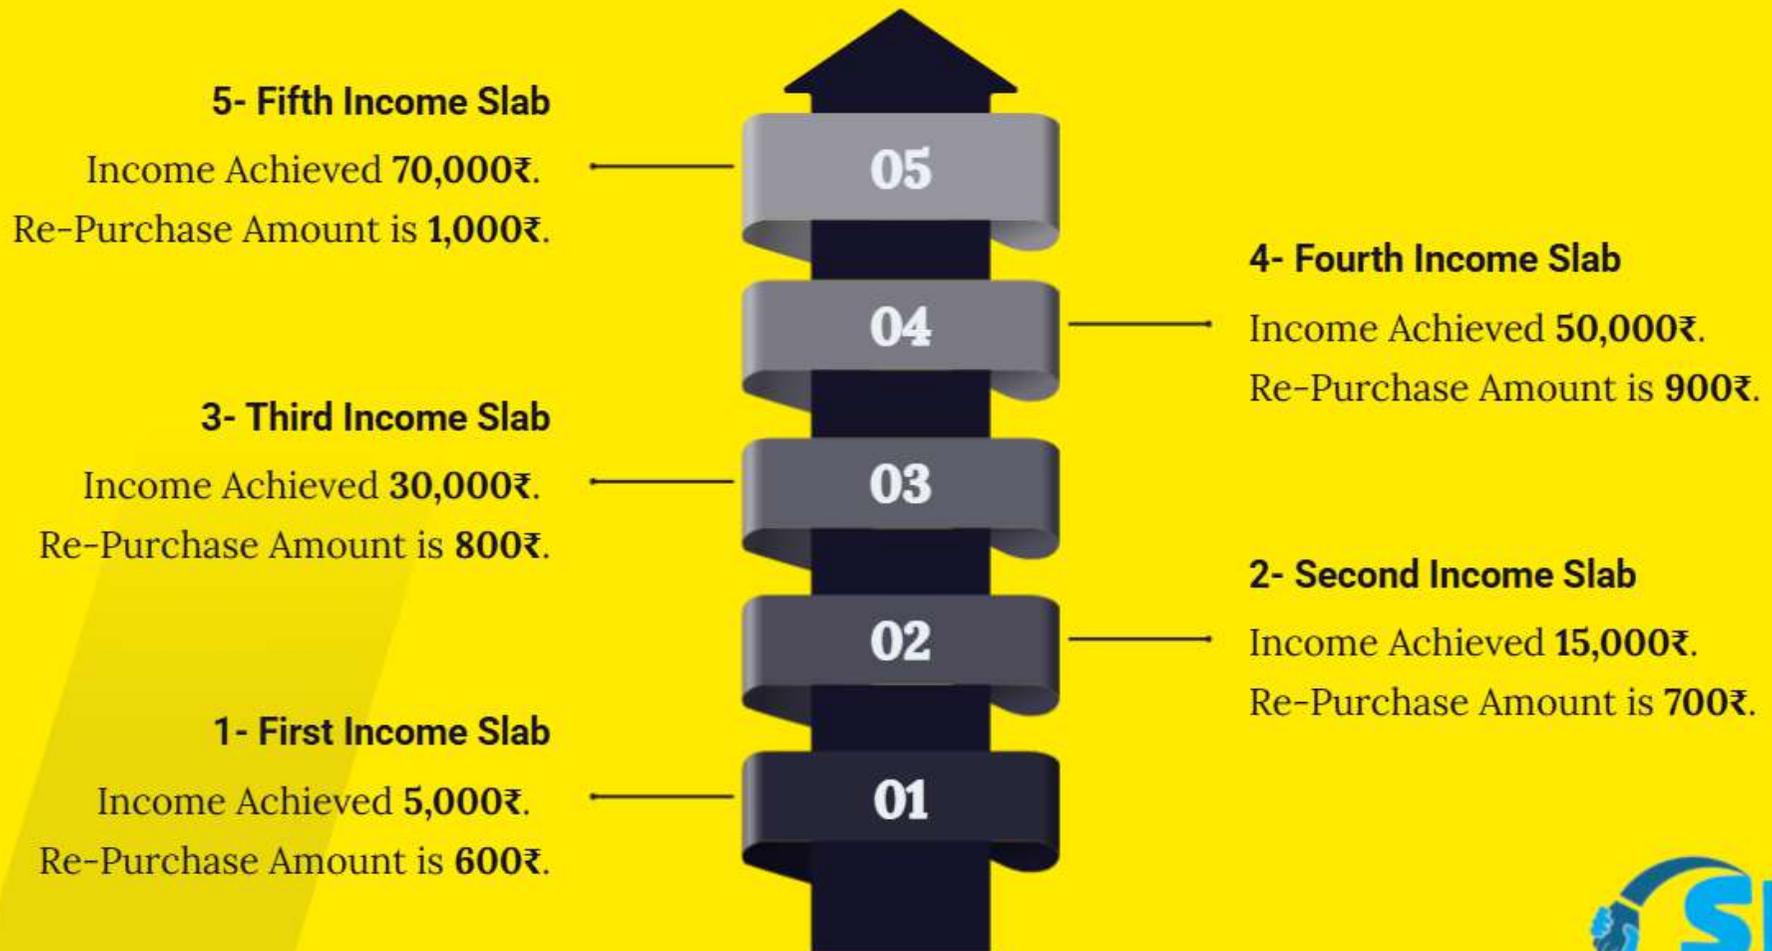

Level 8 Income

At **Level 8**, the income percentage drops to **5%**, marking the last tier in the structure.

06

Re-Purchase Requirements for Income Slabs

Achieving ₹1.2 Crore Income

Exit Strategy Upon Achievement

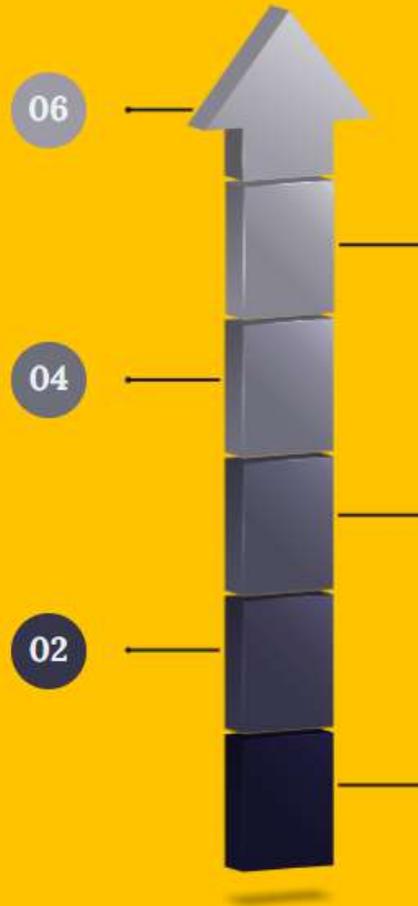

Once a participant achieves the target income of **₹1.2 Crore**, they can exit the business. This exit strategy provides a clear endpoint for financial success.

Income Slabs and Corresponding Re-Purchases

The plan features various income slabs, each with a specific required **re-purchase amount**. This tiered system motivates individuals to work towards earning more.

Re-Purchase Requirements Explained

To unlock the next income slab, a **re-purchase** is mandatory. This structure ensures that participants can progressively enhance their earnings while maintaining engagement in the business.

Unlocking Higher Income Levels

As participants earn more, they must meet the **re-purchase** criteria to unlock the next income slab, ensuring a systematic approach to achieving financial goals.

First Re-Purchase Threshold

Participants must begin **re-purchasing** after they earn their first **₹5,000**. This initial investment is crucial to access higher income levels and continue their journey.

Income Potential of ₹1.2 Crore

This business plan empowers every participant to achieve an impressive income of **₹1.2 Crore**, ensuring financial growth and stability for all involved.
